ABOUT US

THE EXECUTIVE MASTER'S DEGREE IN INTERNATIONAL BUSINESS LAW

The Executive Master's Degree in International Business Law has been structured by three partner universities: Brussels (located in the EU capital), Fribourg (located in Switzerland: the finance capital of Europe and home to many United Nations agencies) and Montréal (located in Canada: opening doors to North America and the United States) in order to give our students in Cambodia the skills necessary to thrive in the upcoming ASEAN Economic Community. Professors from universities in Japan and China also participate in the program, giving it a truly worldwide scope.

The Executive Master's Degree in International Business Law is designed for students interested in cross-border business and the applicable national and international regulatory regimes. Successful students will graduate with well-developed skills and a deep understanding of the impact of international law on global business practices. This master's program will provide you with a high level of qualifications for a career in an international law firm, multinational company or international organization.

VNP INTERPRO LAW OFFICE

VNP INTERPRO Law Office, founded in 2018 by an IP-experienced Attorney-at-Law and IP Attorney, is a full-service firm in the Kingdom of Cambodia. It provides its services in connection with business and investment advisory, IP prosecution and enforcement, real estate, employment, and banking and finance services, to a broad range of its local and international clients.

VNP INTERPRO Law Office is delighted in providing legal services with highly effective and responsive work to its local and international clients around the world. With its professional people, it allows VNP INTERPRO Law Office to provide the services to its clients with better technical analysis and alternative solutions.
